To whom it may concern,

Re: University of Cambridge, Bioinformatics Training Facility

It is my pleasure to confirm that Dr Peter J Causey-Freeman (University of Manchester) taught on the following training course conducted at the University of Cambridge, Bioinformatics Training Facility located in Cambridge, United Kingdom. The course was run in collaboration with the Institute of Continuing Education.

- MSt in Genomic Medicine – Advanced Bioinformatics
(19th – 23rd March 2018)

Best regards,

Dr Matt Castle
Bioinformatics Training Facility Manager
Department of Genetics
University of Cambridge
Downing Site, Downing Street
Cambridge, CB2 3EH
